If you learned about the event through a Whole U ambassador, add their name in the "How did you hear about this event" section.

In 2014, 1,200 UW faculty and staff came together to make history, setting the Guinness World Record for the largest kettlebell class ever. In 2015, we're going to do it again! This time we're taking over beautiful Husky Stadium and showing the world we're not afraid of a little rain.

All participants will receive:

- Free limited edition Whole U umbrella
- Free t-shirt to commemorate breaking the record
- Free snacks for recharging as you triumphantly leave the field
- Opportunity to win prizes

Register early because there are only 2,000 spots available. Once you register, you'll receive a video of the dance and an invitation to join practice sessions in January.

Shake off your winter blues and dance your way into history with The Whole U!
