

Imperfect delivers high quality produce that can't be sold at grocery stores because it doesn't fit their strict size and cosmetic standards. It comes fresh off the farm to your door at 30% less than conventional grocery stores. We carry pantry and dairy too. Give us a try at 50% off everything in your first box. No contract, no subscription, no minimums, it's pay as you go with a flat \$4.99 delivery fee.
