

Nissan North America's Vehicle Purchase Program (VPP)

As a part of Nissan's athletic partnership with University of Washington, all full-time university employees are eligible for preferred pricing on new Nissan and Infiniti vehicles. University of Washington employees will receive preferred pricing and can also continue to take advantage of all other consumer facing market incentives.

VPP Plan Details

- **University of Washington Employees** who wish to purchase a vehicle for themselves or their spouse/domestic partner must use their University of Washington VPP Company code: **VPP018692** and create a VPP Claim ID on the VPP website (www.insidenissan.com), or by calling **1-800-299-4753**.
- Eligible employees, which are considered all direct, full-time employees of University of Washington and their spouse/domestic partner in the continental United States, Hawaii, and Alaska, can create **2** claims per calendar year. Vehicles purchased cannot be titled in a business's name.
- Retirees, immediate family, and extended family & friends of University of Washington are not eligible.
- A copy of the University of Washington employee's recent paycheck stub (monetary amounts and confidential information may be redacted) noting employee name and university name is required to verify proof of employment with University of Washington.
